

The Eco Committee

Newsletter Issue 2 - June 2023

Introducing the “Swap Shop” and Field Heath Library

We want to save the world and we want to recycle all things we do not use anymore.

So, to help achieve our goals we came up with the Swap Shop and would like to thank everyone for their wonderful donations!!

What is the Swap Shop?

The Swap Shop works like this.

From September, you can bring toys, puzzles or board games that you do not want from your homes into school and swap them for something else you do want.

More details to come in the September newsletter

Pield Heath Library - Grand Opening

The Eco Committee is asking for donations of unwanted dvd's, books and video games for our brand new Pield Heath Library. Please send them into school labelled Eco-Committee. Thank you so much.

We will announce the grand opening in September.

Eco tip of the month:
