

16th July 2021

Dear Parents / Carers & Friends of Pield Heath

I am pleased to have some Good News to finish the week. Having recently put in an application for a Tesco Community Grant, this week it was confirmed that it was successful. This means that the project will now be put forward to a customer vote in selected Tesco Stores. I was informed that voting will commence in store from 12th July 2021 and continue to 30th September 2021.

The following information will appear on the voting unit when voting starts.

Pield Heath House School - A Structured Programme for Community and Cultural Events

Celebrating community events would make learning for students with Special Needs more enjoyable. It would boost their confidence / self-esteem. It would also foster a sense of pride.

The project with the highest number of votes across our region will receive £1,500 (or the amount that was requested up to this value), the second placed project £1,000 (or the amount that was requested up to this value), and the third placed project £500.

Below a list of stores taking part in the voting on our project. Feel free to share this list of stores amongst your family and friends. Please note that due to equipment issues, in a small number of stores, voting will not begin until later in July.
