

Horticulture Competitions

In September 2018 we achieved the [Bronze Award with the Woodland Trust Green Tree Schools.](#) This was for the amazing work the students completed in the school gardens and the visits we made to the beautiful outside spaces in the area.

In the same month, we were also “Highly Commended” in [Hillingdon in Bloom, Best School Project.](#) We were awarded this for the creation of “The Den” in the school garden. A structure made from living Willow.

In January 2019 we achieved the [RHS, Level 1 School Gardening Award.](#) We were awarded this for our renovation of the polytunnel and allotment ready for planting in the Spring.

In July 2019, we were awarded the [RHS Level 2 School Gardening Award](#). This was awarded for the students work towards establishing the veggie growing project in our school gardens.

In September 2019, we entered [Hillingdon in Bloom](#) again. This time we won First Prize for the Best School Display. This included our veggie growing in the polytunnel and the use of our school allotment to provide ingredients for our cookery students.

In December 2019 we entered a competition called [RHS Green Plan It](#). We enjoyed visits to Wisley Gardens and designed a beautiful Eco Garden in our school grounds. We were awarded the “People’s Choice” award for all our hard work.
