Racial Justice Sunday

Following on from the various activities that we have done previously, we marked Racial Justice Sunday in February. The theme that was chosen for this year was *"Whoever loves God must also love his brother"* (1 John 4:21).

As always, we will continue to mark this as a whole school community with various activities throughout the year.

CAFOD Family Fast Day

We marked CAFOD Family Fast Day. During Lent we did lots of related activities related to the season

Multi-Faith Room

We are pleased that we have a larger space that we have been able to designate as a Multi-Faith space. Hopefully, this improved facility will enable both staff and students of all faiths to follow their religious practices.

POP UP Charity Shop

Growing Success

Following a very successful first opening during our Winter Fair, we were fortunate to be given a dedicated room to continue developing our Pop-Up Charity Shop within school.

Since then, students have been working incredibly hard to transform the space. They have taken part in:

- Painting and decorating the classroom
- Cleaning and preparing the environment
- Organising donations and stock
- Setting up displays.

A special mention goes to Halima (4B), who has been developing her creativity and independence by dressing and styling our mannequin, helping to present items in an attractive and professional way.

Through this project, students are building a wide range of valuable skills, including:

- Teamwork and communication

- Following instructions

- Organisation and problem-solving

- Responsibility and pride in their work

Looking ahead, we are excited to expand the project further. We are currently planning to:

- Set up an eBay account to sell items online

- Open the shop to a wider audience, including potentially the public

- Work in partnership with our Media students, who will be designing a logo and supporting with product photography

This real-life enterprise project is giving students meaningful work experience and helping them prepare for future employment opportunities. It has been fantastic to see their confidence grow as they take ownership of the shop and contribute ideas.

We are incredibly proud of everything they have achieved so far and are excited to see the project continue to grow.

Community

VBC E out in the community

Students have had the opportunity to go out in the community and access various settings including the Gym, local Library and College.
