

CARITAS – ROOTED IN LOVE
SPRING TERM 1 JANUARY 2024

PRINCIPLE 3: SOLIDARITY AND PEACE

TUTOR GROUP: 3P

These are some of the ways in which we have highlighted the importance of Solidarity and Peace.

Solidarity is an expression of our interconnectedness.
Solidarity requires peace. When there is a lack of peace,
there is no solidarity.

This bond allows us to feel a responsibility to care for each other, but it goes much deeper than this. We are connected through God's love and the mission of Christ, called to use our own gifts. When we work and get along together we show we are people of peace.
