

CARITAS – ROOTED IN LOVE

SPRING TERM 2 FEBRUARY 2024

PRINCIPLE 4: COMMUNITY AND PARTICIPATION

TUTOR GROUP – VBC E

These are some of the ways in which we have highlighted the importance of Community and Participation.

This term VBC E enjoyed organising the first “Pield Heath Zoom Auction”.

As part of their hobby’s exploration sessions, Yash introduced his friends to shopping in charity shops.

The students were given £5 each to buy something that they could put plants in. They brought some great items and then planted and gift wrapped them.

Just in time for Mother’s Day weekend, the students held a Zoom auction and the whole school community joined and bided on the items.

It was an amazing success.
