

'The experience of boarding clearly enables students to make excellent progress in their educational, personal, social and cultural development'
Ofsted Report February 2014

Short Break & Residential Provision

Field Heath House School also offers the opportunity for both short break and boarding in our purpose built house St Joseph's in the school grounds.

The 24 hour curriculum provided is designed to further help our young people with social, independence and life skills.

Support is highly individualised and students are actively encouraged to make choices in all aspects of care, support and entertainment.

This has a very positive impact on their families, decreases dependency and makes real the prospect of students becoming more independent in their adult lives.

If you would like any further information please contact us, visitors are always warmly welcomed.

Field Heath House School, Field Heath Road, Uxbridge, Middlesex UB8 3NW.

Field Heath House School is recognised by the DfE under the trusteeship of The Sisters of the Sacred Hearts of Jesus and Mary, a registered charity.

Pield Heath House School School Uniform

'The school meets fully its key aim of providing the essential skills and knowledge for students to live fulfilled lives in a challenging and constantly changing world. Their achievement is outstanding'

Ofsted Report February 2014.

School Uniform Policy

The School Governors expect that all students in Years 5 - 11 wear the correct school uniform to set a standard in appearance of which both parents and the school can be proud. All items of clothing should be clearly marked with the child's name.

Although there is no school uniform for students in the Victor Braun Centre (Sixth Form) good standards of dress are required.
